

Box Tops

Update

November 2011

Still Going Strong

The Box Tops campaign for MSD is still going strong. Since the last update, a total of \$22.50 more in Box Tops have been submitted. That means our total earned to this point is \$57.50. Not bad for just a couple of months of collecting.

We have also heard that several of you have taken advantage of some of the opportunities to earn eBox Tops. It can take up to 6 weeks for these to be posted to our account, but when they are, we expect our collection totals to increase greatly.

Once again, thank you to all who have been clipping and earning Box Tops. Every Box Top counts.
